I spoke with Eileen late yesterday to specifically ask her if she was displeased with her/Leon's current coverage – she is not. She was intrigued by how JE described Justin, no surprise. I told Eileen we would work with her however she preferred but that her current team will access the same resources.

She discussed the structure of the deal briefly and said the loan may not be needed – Leon's relationship with JE is long standing and JE recently provided estate planning suggestions to Leon. More to come.

Mary and John - see below regarding Leon Black. I will touch base with Eileen and report back.

We should circle back up on JE when you have time. I'm sure that will affect this situation as well.

Regards, Justin

Hello Justin, I come referred to you by Jeffrey Epstein. I run Leon Black’s family office. I am hoping Jeffrey gave you a heads up on my calling. At your convenience, I would be interested in discussing potential terms for a collateralized personal borrowing by Mr Black. Thank you.
